

ReCycle!

THE ULTIMATE TOOL FOR SAMPLED GROOVES

Version
2.1

→ **Product Registration**

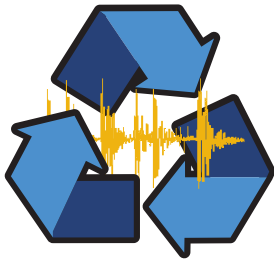

Change the tempo of a groove without altering its pitch – and vice versa! → Change the feel of your grooves, or quantize them! → Create endless variations and fills out of a single loop! → Total Loop Control

.....

Operation Manual by Synkron:
Ludvig Carlson, Anders Nordmark and Roger Wiklander.

THE ULTIMATE TOOL FOR SAMPLED GROOVES

→ [Product Registration](#)

Benefits of Registration

There are many great reasons for registering your product:

- ➔ **Getting access to technical support.**
- ➔ **Being able to communicate with other Recycle users via the message board.**
- ➔ **Getting information about new versions and updates.**
- ➔ **And more...**

Getting Technical Support

There are two ways to get technical support:

- ➔ **Contact Propellerhead Software directly, via the Internet: www.propellerheads.se**
- ➔ **Contact your local distributor: See later in this document for a list of addresses.**

How to Register

Internet (Recommended)

The easiest way to register is via the Internet.

- ➔ **Point your web browser to www.propellerheads.se/register, or...**
- ➔ **Simply select 'Register Recycle now' from the Help/ Contacts menu in Recycle.**

Fax/Mail

If you don't have access to the Internet, proceed as follows:

1. **Fill out the form on the next page, on your computer screen.**
Just click in the fields and type in the text.

! Please, do not print out and fill in the form by hand!

2. **Print out page 2 of this document (the form).**
3. **Fax it or mail it to the address indicated on the form.**

! Registering via fax or mail does not give you access to the free Internet benefits. For this you must register via the Internet!

Product Registration Form

! If you have registered on the Internet you do *not* need to fill out or send in this form!
